

CONTEST! CONTEST! CONTEST!

The topic of the contest:

120 YEARS FOR KAZAKHSTANI OIL

This year will mark 120 years of Kazakhstani oil. The history of the development of the oil and gas industry in the Republic, which started with the Karashungul field, is based on the history of finding new treasures thorough research, establishment of new records, achievement of goals, overcoming difficulties and solving complex problems. Our duty is to respect our over 100-year and honor the significant labor of oil industry veterans, who first began the development and became founders of enterprises in the field of oil and gas production, processing and transportation. In this regard, out of respect of the history of the oil and gas industry in Kazakhstan, which continues to contribute to the advancement of society, Tengizchevroil LLP, Atyrau-Akparat LLP together with the regional organization of the Kazakhstan Journalists' Union announces a contest for the best works among the media and journalists of Atyrau oblast on the topic "**120 years for Kazakhstani oil.**"
